Recommended literature:

Infection Control in Dentistry. Basic Guide Lines Tempus Join European Project.

E. Dietz: Safety standards and Infection Control in Dental Assistants. Delma, Tompson Leasing, 2002.

Conditions for accepting the semester:

- Active participation on lectures and practices, based on the Study and Exam Regulations of the University,
- Attendance of lectures and practices is mandatory.
- Pass each (two) midterm written examination. Unsatisfactory test should be corrected; it may be corrected **only once!**

Students must come to the practice in time:

If a student is late three times, it is equal with one missing.

If a student comes more than 20 minutes late, it is regarded as an absence.
