PERIODONTOLOGY III.

PRACTICE

2013/2014, 1st semester, 5th year, Dental students

Fall semester: 2 September – 7 December 2013

Place: Faculty of Dentistry, Dental Surgery with 9 units
Time: Friday 10.00-13.00 (3 hours/week)
Exam: Term Mark
Credit: 2

Teachers: Prof. Dr. István Gorzó professor
Dr. Salar Gelabi Zeinali resident

Topics: Examination and treatment of patient with gingivitis or chronic periodontitis.

Conditions of accepting the semester:

- Active participation on lectures and practices, based on the Study and Exam Regulations of the University,
- Attendance of lectures and practices is mandatory.
- Completion of the tasks in the practices, average of grades should be at least 2.0.
- Keeping the safety rules of the surgery.
- Pass each (two) midterm written examination. Unsatisfactory test should be corrected; it may be corrected only once!
- Knowledge of selected references related to each topic, the average mark of all the tests should be at least 2.0 (the mark of small tests may be max. 3 times 1).

Students must come to the practice in time:

If a student is late three times, it is equal with one missing.

If a student comes more than 20 minutes late, it is regarded as an absence.
