**Re: Invitation to the 3rd International Students' Dental Conference, at Sharjah, United Arab Emirates
11th & 12th April 2015**

On behalf of the University of Sharjah, I feel very honored to invite you and your faculty and students to the 3rd International Students' Dental Conference, to be held at the University of Sharjah Medical & Health Sciences Campus, United Arab Emirates from 11th to 12th April 2015, under the Patronage of H.H Sheikh Dr. Sultan Bin Mohammed Al Qasimi, Member of the Supreme Council of the UAE, Ruler of Sharjah and President and Founder of the University of Sharjah.

This conference will provide a great opportunity for students to participate in a scientific meeting with their own projects and presentations as well as attend the various workshops, which will be running parallel to the conference. Students will also get the chance to participate in dental debate competitions as well as clinical competitions.

Students from your respected college would be able to enrich their knowledge and interchange their expertise. Students who are interested in participating are encouraged to submit their abstracts, whether literature review, research based or clinical studies to Abstracts.usdsa@gmail.com. Students interested in attending the conference without presenting are more than welcome and registration will begin shortly.

Kindly browse our website at www.usdsa.net to acquire more information regarding the conference as we are looking forward meeting your respected students.

Thank you for your cooperation, and we look forward to building long lasting bonds between the students of our colleges for the future of our dental profession.

Professor Richard John Simonsen
Dean of College of Dentistry

Abeer Sha'al
USDSA President
